MOINK Website Disclaimer

General Disclaimer

This website is an independent, community-driven platform and does NOT officially represent the Solana blockchain or any centralized organization. All content provided is intended solely for informational and entertainment purposes.

Community Governance

The MOINK project is decentralized and not governed by any individual, team, or company. Any use of $MOINK must comply with local laws and regulations in your jurisdiction. By interacting with $MOINK, you acknowledge that you are solely responsible for ensuring your activities are legal and compliant with applicable rules.

The MOINK community disclaims all liability related to misuse, regulatory non-compliance, or illegal actions involving the token.

Not Financial or Investment Advice

Nothing on this site constitutes financial, investment, or legal advice. Always conduct your own research (DYOR) and consult with licensed professionals before making any decisions related to $MOINK or any other cryptocurrency.

No Central Authority or Profit Intent

- No Central Ownership: $MOINK is fully decentralized. There is no central authority, dev team, or multisig wallet controlling its future.
- No Treasury: The project does not maintain a treasury or generate revenue. All actions and growth are community-led.
- No Guarantees: There are no promises of returns, profits, or token value appreciation. Participation is entirely voluntary and at your own risk.

Merch and Collaborations

- Merchandise Sales: Any MOINK-themed merchandise is independently produced and not directly affiliated with or managed by the MOINK community.
- Third-Party Integrations: Collaborations and partnerships with platforms, creators, or services are informal and do not represent formal endorsements or contracts. Always verify third-party services before engaging.

MOINK Website Disclaimer

Regulatory Compliance and User Risk

- Know Your Laws: Users are responsible for ensuring compliance with all applicable local KYC/AML regulations.
- Market Volatility: Cryptocurrencies are highly volatile and inherently risky. $MOINK may experience extreme price fluctuations. Engage responsibly.
- No Securities: $MOINK is not classified as a security under prevailing legal frameworks.
- Jurisdictional Restrictions: Crypto may be restricted or banned in certain countries. It is your responsibility to ensure you're not violating local laws.

Agreement

By using this website and participating in the MOINK ecosystem, you agree to these terms.
